LJ/CF – Calculate Fees and court costs divide by teams entered and look to increase Player fees in order to help with court costs. In comparison to other sports team fees we pay a lot less than others.

LK – To arrange another hat night if there is a court space free towards the end of the league.

Both hat nights made £135 ut it was agreed it would be better to have the hat night in 1 location.

KL- If there is a court space free we also thought to organise coaching. 3 x hour slots, same coaching session and level 2 coaches to lead on this.

AH – to E-mail Kelsea sponsorship letter.

KB - to tailor the sponsor letter for BP. Also to use the letter for any other potential sponsors.

ALL – Everyone to keep an eye out for potential sponsors – If you have not got the letter let Alicia know

LK/EB – Scottish cup date is 14th Nov. Would be good to organise fundraiser BEFORE this Friday night posers? Race night? Set date for potential wheel bar race night and posers night. Scottish cup players to be involved in this.

- Kelsea to join committee as Sponsorship rep. Any idea please let kelsea know.

Can i ask everyone, if you speak to anyone regarding sponsorship or send a letter to let everyone else know so we look professional and not repeating ourselves.
