## **Netball Orkney Chairperson's Foreward**

On behalf of Netball Orkney, I would like to welcome you here today to the 36th annual inter-county against our northern neighbours, Shetland. The two games that will be played today will be keenly contested by both teams, and Orkney will be hoping to reverse the fortunes of last year when Shetland took both wins on home turf. The Orkney teams have a different look from last year, with a number of players having moved on allowing for a number of new caps.

This past year has been significant for netball in Orkney. We have seen an increase in player numbers in all sections, our first annual awards evening was a momentous success and, two of our junior members gained national representation. As well as this, our hard-working committee has put plans in place to develop and grow our volunteer base and create more opportunities for our players at all age groups.

For the first time in Orkney, we will see the 'A' game played first followed by the 'B' game. This change in format was agreed a couple of years ago, with the hope that it would allow the teams to utilise their benches to the full. With the 'A' game being seen as the highlight of the day, we hope that it rouses your appetite to stay and support our 'B' team. Last year, I believe the 'B' game was an exceedingly exciting game, with only one goal separating the teams in Shetland's favour. Both Orkney teams have been training hard for a number of months in preparation for this fixture in hope to see the trophies return to home soil.

Our cups this year are being presented by Linda Ross and Betty Stanger. Linda represents the Donaldson family and the late Ernie Donaldson who kindly donated our 'A' game shield for the first intercounty in 1981, this was recently replaced by the current cup that will be presented today. Linda played in numerous matches during the 80s, as well as coaching our teams when initially retiring. Betty, who will present the 'B' cup and also gained numerous caps for Orkney during this time and continues to be a shining example to today's players by still competing in our top senior league being an important member of her team!

Today's games would not happen without the dedication and work of a number people and organisations. Therefore, on behalf of the players, I would like to thank our committee for its work organising this event and the reception afterwards. A special mention to Inga and Julie, whose love for our sport continues to drive the work they do, our sponsors, Cooke Aquaculture for their donation towards our kit, NorthLink Ferries for their continued sponsorship to all age groups, the Pickaquoy Centre for working hard to prepare the hall, and the umpires for giving up their time to travel to Orkney to officiate our event.

A big thank-you to Shetland for travelling to Orkney to allowing this fixture to take place. We have seen their game change and grow in strength over the years, and I have no doubt that they are here today with their sights set firmly on both trophies. I am sure, with the home support on Orkneys side, our girls will rise to the challenge and provide you with two enjoyable games.

A final thanks to all of you for attending today's games and offering support to our players. We wish you all the best and hope you have a great day.

## **Shetland Chairperson's Foreword**

On behalf of the Shetland Ladies' Netball Association I would like to take this opportunity to thank Netball Orkney for hosting the 36th Senior Inter-county Netball Matches.

This year Shetland have selected a squad of 19 players. A decision made more difficult with such a high level of performances making positions highly sought after. There are a number of players earning their first cap at a senior level and a few players making the transition from the 'B' squad into the 'A' squad. This annual fixture is definitely a highlight in Shetland Netball and we are proud to be part of such a successful competition.

Shetland Ladies' Netball Association would like to take this chance to thank coaches Lesley Spence, Carina McLatchie, Sarah Grogan and Fiona Shearer for their dedication of time, coaching and umpiring to enable another successful year of the Senior Inter-County. Also, a Thank you to Kirsti Leask as Inter-county representative for Shetland for her joint organisation and planning of this event alongside Orkney representatives.

Lastly, I would like to wish all teams' good luck and hope they enjoy their matches.
