## **Netball Orkney Chairperson's Apprise**

Welcome to the 34th annual Orkney v Shetland Inter-county netball.

It has been a very busy season for Netball Orkney. We have continued to promote and offer netball to all age groups from primary school right through to senior level either in the form of playing in leagues or offering 'Pathways' training sessions. This is all thanks to our committed coaches and committee members who make these sessions possible.

Netball Orkney's senior squad qualified in the 'Cup Section' of the Scottish Cup after finishing 2nd in their group and 10th overall in the tournament. Unfortunately, they lost out to Highland team Fyrish Flyers in their next match by 16 goals but both teams were keen to make this Northern encounter an annual event.

Netball Orkney's U13's got off to a flying start in their Scottish Cup campaign, winning all 3 of their matches convincingly topping their group. They then went on to win their Quarter final match against Kirkcaldy 2. Orkney had Maryhill in the Semi Final which they played last weekend and won the close encounter 10-8. The final will now take place on Sunday 10th May in Glasgow at the Netball Scotland National Finals Day. This has been an excellent opportunity for these young girls and thanks must go to Inga Kemp, Karen Burns, Aly Bain & Julie Campbell for coaching and travelling with the girls.

Our U15's have been attending U15 Academy Days held by Netball Scotland that were split over several weekends where they played a number of games against teams from all over the North of Scotland which has provided a great experience for the girls. We also have had eight girls selected for the Scotland North Pathways Programme, travelling away regularly to attend training.

Netball Orkney are proud to announce Taylah Spence received her first cap playing for Scotland at U17 level. Taylah and the Scotland team won Silver at the Netball Europe competition held in Hull recently, competing against England, Northern Ireland and Wales. Unfortunately, Kirstie Burns missed out on a place in the U17's team this time around but travelled to Hull as part of the Netball Scotland development squad. Sarah MacPhail is training with the U23 long squad and will find out in September if she has been successful. Well done Taylah and Kirstie and good luck to Sarah.

It only remains for me to thank all the Netball Orkney committee and supporters for their hard work throughout the season. I would like to thank NorthLink for their invaluable sponsorship making it possible for Orkney to compete outwith Orkney and further afield. Good luck to all teams for today's matches.

## Shetland Chairperson's Apprise

On behalf of the Shetland Ladies' Netball Association I would like to take this opportunity to thank Netball Orkney for hosting the 34th Senior Inter-County Netball Matches.

This year Shetland have selected a squad of 19 players. A decision made more difficult with such a high level of performances making positions highly sought after. There are a number of players earning their first cap at a senior level and a few players making the transition from the 'B' squad into the 'A' squad. This annual fixture is definitely a highlight in Shetland Netball and we are proud to be part of such a successful competition.

Shetland Ladies' Netball Association would like to take this chance to thank coaches Anne Wood and Morag Fox for their dedication of time, coaching and umpiring to enable another successful Year of the Senior Inter-County. Also, a thank-you to Kirsti Leask, as Inter-county representative for Shetland, for her joint organisation and planning of this event alongside Orkney representatives.

Lastly, I would like to wish all four teams good luck and hope they enjoy their matches.
