MATCHES

Matches will only be re-scheduled if they have had to be cancelled due to bad weather or other exceptional circumstances. Matches **will not** be re-scheduled if a team cannot get enough players – the match will be cancelled and the other team will be awarded the points.

SCOREKEEPERS

Each team is responsible for providing one person to keep score – if only 7 players turn up then 1 player will have to keep score, leaving 6 players on court. Scorekeepers MUST sit next to each other for the duration of the match to ensure there are no discrepancies with the score.

LENGTH OF PLAY

Each quarter will be 12 minutes, with one minute in between the 1st & 2nd / 3rd & 4th quarters with 3 minutes at half time. Any variation to this MUST be agreed between the umpires and the team captains at the start of the game. Teams should be there and ready to start playing - with umpires being confident to get players on side and ready to play - at the right time.

CANCELLATIONS

If your match has to be cancelled or re-scheduled you **must** contact Kayti Jeromson (mob 07810676601) (e-mail kaytij61@hotmail.co.uk) by 12 midday on the day of the match. Team captains will be responsible for contacting the umpires and Team Rep of the opposition to notify them of the cancellation.

UMPIRES

The teams named to umpire for each game are responsible for finding a replacement umpire for the match if they are not able to fulfil the duty. I am not responsible for finding replacement umpires.

PRESS REPORTS

Press Reports must be **emailed** to Linda Thomson (netballreports@hotmail.com) by 5pm on the Sunday after your match. Only e-mailed reports will be accepted and any home team not submitting a report will be fined £10 per match report.
